RENEWED PETITION UNDER 37 C.F.R. 1.183

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

This is in response to Decision on Petition mailed December 19, 2005.

Concurrently submitted herewith is a Petition to Revive since the deadline to file the Renewed Petition expired February 19, 2006.

In the Decision on Petition, the petition was dismissed because the Office concluded that the Applicant failed to submit sufficient evidence to prove that diligent efforts have been made to locate and/or contact inventor Mong Tung Yeung.

In response, Applicant notes that it has now been able to locate inventor Mong Tung Yeung. Accordingly, Applicant submits herewith a declaration containing the full names of all of the inventors which has now been signed by all of the inventors. In view of the foregoing, Applicant submits that all outstanding requirements have been complied with, therefore, the application should be reinstated to its pending status.

Applicant further notes that the issue fee has been paid. Thus, the application should normally proceed to issuance at this time. However, while Applicant was attempting to locate the missing inventor, a European Search issued. Accordingly, also submitted herewith is a Petition to Withdraw from Issue and a Request for Continued Examination along with an Information Disclosure Statement.

The petition fee as specified in 37 C.F.R. § 1.17(h) of \$130.00 is enclosed herewith. Please charge any additional fees and credit any overpayment to Deposit Account No. 02-2666. A duplicate copy of the Fee Transmittal is enclosed for this purpose.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN
